

Weather Policies

- Little Champ Camp is an outdoor based Camp. To ensure every child can fully participate in all outdoor activities, campers must bring suitable clothing for all types of weather. This includes sunscreen, hat, and water bottle.
- Due to the nature of sunscreen allergies, LCC staff will not provide or apply sunscreen. Campers will be reminded by camp leaders to put sunscreen on prior to an activity. Please pack water proof sunscreen (SPF 30+).
- It is important that campers understand the importance of sunscreen and know how to apply it before camp. Please encourage all campers to wear a hat when participating in outdoor activities.
- It would be helpful for parents to apply sunscreen in the morning before the camper arrives at the Little Champ Camp.
- Campers will take regular water breaks throughout the day. Please ensure they bring a water bottle.

Extreme Weather Policies

- Little Champ Camp is an outdoor based Camp.
- We provide 10x10 gazebos for each individual group for sun protection and light rain protection. Our tents are pegged down as well as have two 30 pound sandbags to further secure our tent. Each tent has a sun wall that will be adjusted throughout the day to provide more shading per the group.
- IF there is extreme weather such as thunder, lightening, extreme rain, staff will take campers to the pool where there is an over hang where we will take immediate shelter.
- IF it is extreme weather such as tornado warning or flooding, parents will be called to pick up their campers immediately.
- Hot days - programming will be adjusted to remain in each groups shaded area as well as more water breaks will be taken. Campers will have access to refill their water bottles with our numerous 5 gallon water jugs.
- If you do not feel comfortable with your camper being in any extreme weather conditions you are allowed to pick your camper up at any time or not bring them that day.

Here is a suggested checklist of what items campers should bring daily:

1. A FULL water bottle. Please freeze the night before.
2. A hat.

LITTLE CHAMP CAMP

Developing Champion Attitudes that last a lifetime

3. Appropriate clothing.
4. Sunscreen.
5. Swim suit and towel.
6. Appropriate shoes.
7. Lunch and a snack (this is a nut-free environment and campers will NOT allow to have any nuts on the facility). Siblings are not allowed to share food or water bottles. Please bring individual items for each camper.
8. A change of clothes if your camper is younger.
